# GENERAL MANAGER'S REPORT

**Prepared By: Nick Stamatopoulos  
(formerly Operations Manager)**

It is my pleasure to present the General Manager's Report for the 2023/24 financial year. While I have recently stepped into the General Manager role, I have been privileged to serve as Operations Manager throughout the past year, giving me a deep insight into the challenges we faced, the progress we made, and the opportunities ahead.

The 2023/24 year was one of steady growth, operational strengthening, and deeper engagement with our community. Our association continued to expand both in participation numbers and in the quality of programs we deliver, supported by a dedicated team of staff, volunteers, referees, and coaches.

## **Key Achievements**

- Record growth in junior domestic and VJBL participation numbers.
- Successful delivery of our senior Big V program, with our Youth League Women winning a championship in the Youth League 2 Women division and our Senior Women making it to a preliminary final in their first season in the State Championship division.
- Active in the community through school clinics, holiday camps and introductory programs.
- Valuable partnerships with key stakeholders and businesses.
- The purchase of F45 Drysdale has strengthened our community connection and introduced a new revenue stream opportunity.

## **Challenges**

- Managing venue availability and growing demand for court space.
- Referee recruitment and retention continues to be a challenge across the sector.
- Balancing workload and capacity among staff and volunteers as programs expand.
- Navigating changes in leadership and preparing for future strategic planning.

## **Community & Culture**

- Continued emphasis on creating a welcoming, inclusive basketball community.
- Greater communication with families, teams, and stakeholders through regular newsletters, social media and other channels.
- Strengthened relationships with schools, local councils, and Basketball Victoria.

## **Looking Ahead**

As I step into the General Manager role, I'm excited by the direction we're heading. Key priorities for the coming year include:

- Developing a new strategic plan.
- Securing additional court space and training venues.
- Developing coach and referee pathways to support growth.
- Enhancing operational systems and workflows.
- Strengthening commercial partnerships and funding streams.

We are entering a new chapter, and I'm committed to building on the strong foundations that have been laid. Thank you to the staff, Board, volunteers, players, families, and wider basketball community for your ongoing support. I look forward to working with you all as we continue to grow BPBA and deliver great basketball experiences for all.

I would also like to acknowledge the leadership of Aaron Lothian, who served as General Manager during the 2023/24 financial year. Aaron's contributions played a key role in supporting the association's continued growth, and I thank him for his commitment to the BPBA community.

# BELLARINE STORM

**Prepared By : Tim Sanderson**

The 2023/24 season was excellent for our Storm teams. The season saw our youth league women win a championship, the senior women make the preliminary final in the BigV State Championship division and 4 VJBL teams also taste championship glory. We also won a spate of awards at the BigV awards night recognising this season. On top of this we were recognised as VJBL's medium association of the year for the 2023 season presented at the VJBL AGM.

## **High Performance Stream**

### **VJBL**

Our VJBL teams had another successful season with 4 teams claiming championships and 10 qualifying for their respective VJBL finals series. Our championship teams were the u14 boys 5, u16 girls 1, u18 girls 1 and the u20 boys. Our girls teams had a particularly successful year with 5 out of the 7 teams making finals including all four of our 1st teams two of which won their leagues.

In terms of team numbers we had 15 boys teams participate in the 23/24 season and 7 girls teams. The total of 22 teams was the maximum allowed by VJBL based on the number of available courts we have to play on a Friday night. The boys team numbers were up 2 from the 22/23 season and girls teams numbers identical at 7 with 1 extra u16 girls team and 1 less u14 girls team compared to 2022/23.

Table 1 below shows the breakdown of teams we entered in the 23/24 season.

# BELLARINE STORM

Our u12 teams both played in the same divisions as the 22/23 season as did our u16 boys. The u14 girls played 2 divisions higher compared to 22/23 while all other 1st teams were 1 to 2 divisions lower. Important to remember with data compared to previous year that it's a different cohort of players.

<b>Athlete Development</b>	
<b>U12 Jamboree Selections</b>	6 (2 male, 4 female)
<b>U14 Academy Selections</b>	12 (8 male, 4 female)
<b>ACJBC/SCC selections (Country/Metro Challenge in 21/22)</b>	4 (3 male, 1 female)
<b>SDP Selections</b>	1 (1 male)

Table 3. Individual Athlete Achievement Summary 23/24

Our u12 Jamboree selections had 2 less boys players compared to 2022/23 with the girls the same. For u14 academy/FDP selections we had an extra 4 boys players compared to the previous season taking our total up to 12. There was also an additional 1 male player and 1 female players who were selected to the Country Cup or Southern Cross Challenge. SDP wise we just had the 1 athlete in the program in 23/24.

# BELLARINE STORM

**Prepared By : Tim Sanderson**

## **Coach Development**

In the 2023/24 season we again held regular coach development meetings both on the court learning and strategic planning meetings. These were well attended by our committed group of junior coaches. The u12 age groups continued with their strategy of training together and the u14 boys also took on this strategy for parts of their sessions to ensure all players were on the same page with their learning of game strategy. We altered our club game style slightly and provided all coaches with a curriculum to coach in the 23/24 season. This outlined all key skills and concepts we wanted our athletes to learn across each group with drill diagrams to support.

Our association once hosted a club level coaching course for our coaches, both rep and domestic, to gain their accreditations through Basketball Victoria. For VJBL and BigV competition these accreditation levels are mandatory to be a Head Coach in these leagues.

## **Storm Academy**

The Storm academy for the U12 and U14 players returned for terms 2 and 3. These sessions were held on a Tuesday afternoon and focussed on skill development of our younger athletes. Our Storm coaches who volunteered their time to assist me were excellent in helping our young athletes progress their games.

## **BigV**

The 2024 BigV season was outstanding for our club. Having finished 5th in a tight regular season our youth league women ran the tables in finals to break their hoodoo and win the first women's BigV championship for our club. Having gone through the previous 2 tough grand final losses the girls did an outstanding job to win 4 finals including the grand final on the road for the title. Our senior women made the step up to the State Championship division for the first time and aced the test. We finished second with an 18-4 record and made a preliminary final in our first season in this league. With a strong lineup this team could be contending for a few seasons.

# BELLARINE STORM

**Prepared By : Tim Sanderson**

For our men's team the State Championship men improved on their 3-18 2023 record to finish 11-11 and in 2024 and narrowly miss finals. There were a number of close games that if a few things had of gone our way and we could have stayed healthy would have led to a finals birth. The youth league men battled hard all year finishing with a 5-17 record. Pleasingly Mitch Smith and Ben Walters both stepped up and made their senior debuts out of the youth league side in 2024.

A number of our senior players had incredible individual years and were rewarded with awards at the BigV league awards night. A full list of award winners is below.

Kavione Green - MVP (State Champ Men)  
Kavione Green - All Star 5 (State Champ Men)  
Kavione Green - Defensive Player of the Year (State Champ Men)

# TRESURER'S REPORT

**Prepared By : Steve Anstis**

I am pleased to present the financial report for the Bellarine Peninsula Basketball Association Inc. for the year ending 30 June 2024.

The association finished the financial year with a net loss of \$9,616, an improvement from the previous year's loss of \$53,575. While we saw a continued increase in participation and overall revenue, rising costs across wages, referees, and venue hire contributed to the result.

Total income rose by approximately 20%, with growth across game fees, registration, and canteen sales. Expenses increased in line with this growth, particularly in areas required to deliver our expanding programs and services.

The association's cash position decreased compared to 2023, primarily due to the purchase of F45 Drysdale in March 2024, a strategic investment in our long-term infrastructure. Despite this, the association remains in a stable financial position with net assets of over \$103,000.

I would like to thank the Board, staff, and community for their continued support and commitment to ensuring the financial sustainability of the association.

## INDEPENDENT AUDITOR'S REPORT

To the members of Bellarine Peninsula Basketball Association Inc

### Report on the Audit of the Financial Report

#### *Opinion*

I have audited the accompanying financial report, being a special purpose financial report of the Bellarine Peninsula Basketball Association., which comprises the Balance Sheet, Profit & Loss and Notes to the Financial Statements for the financial year ended 30 June, 2024.

#### *Basis for Qualification*

As is common for organizations of this type, it is not practicable for the Bellarine Peninsula Basketball Association Inc to maintain an effective system of internal control over monies received until its initial entry in the accounting records. Accordingly, my audit in relation to cash receipts was limited to amounts recorded.

#### *Auditor's Qualified Opinion*

In my opinion, subject to the effects of such adjustments, if any, as might have been determined to be necessary had the limitation discussed in the qualification paragraph not existed, the financial report of the Bellarine Peninsula Basketball Association Inc presents a true and fair view of the results of the Bellarine Peninsula Basketball Association operations and cash flows for the year ended 30 June , 2024 and its financial position as at that date in accordance with the accounting policies described in Note 1 to the accounts.

#### *Basis for opinion*

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the entity in accordance with the *Associations Incorporation Reform Act 2012 (Vic)* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

### ***Emphasis of Matter - Basis of Accounting***

Without modifying my opinion, I draw attention to Note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Committee's financial reporting responsibilities under the *Associations Incorporation Reform Act 2012 (Vic)*. As a result, the financial report may not be suitable for another purpose.

### ***Responsibility of the Board of Management for the Financial Report***

The Committee of Management responsible for the preparation and fair presentation of the financial report in accordance with the requirements of the *Associations Incorporation Reform Act 2012 (Vic)* and for such internal control as the Committee members determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error. In preparing the financial report, the directors are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Board members either intend to liquidate the Club or to cease operations, or have no realistic alternative but to do so.

The Committee of Management is responsible for overseeing the Club's financial reporting process.

### ***Auditor's Responsibilities for the Audit of the Financial Report***

My objective is to obtain reasonable assurance about whether the financial report, as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that audits conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our [my] opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by responsible entities.
- Conclude on the appropriateness of the entities' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
